

Owners' Week 2021 has been postponed

Dear Grand Crowne, Carriage Place, and Townhouses Owners,

In an abundance of caution and concern for the health and safety of our Owners, your Boards of Directors have made the difficult decision to postpone Owners' Week 2021 due to continued increases in Covid-19 cases. Like many of you, Owners' Week is our favorite week of the year and we look forward to the opportunity to spend time together having fun. We are disappointed that we will have to wait a little longer to see you all again but we are hopeful that we will be able to gather later in 2021 for another fun-filled Owners' Week. We are confident you will enjoy the exciting "Imagination Travel" plans that the GC Resorts Team has been working on.

At this time, the Annual Meeting is still scheduled for March 2, 2021 and will be held virtually. Your Proxy is your official notice of the Annual Meeting and will contain the specific date and time for your Association meeting and directions about attending the Annual Meetings virtually. Please keep a look out for your Proxy to arrive in your mailbox in January or February. If you have any questions, please contact Owner Services at 417-332-8415 or email gcrinfocenter@gcrbranson.com.

Sincerely,

The GC Resorts Management Team
